The products depicted define the quality standard of the project; the seller reserves the right to replace the items with other products of equivalent quality or with comparable parameters, for example if the above-specified materials are out of production at the time of construction or are unavailable for another reason. The investor may also substitute the above-specified suppliers of such materials if the supplier is unable to deliver the goods in the required quality, for the required price and on time. All product photos and usage visuals are indicative and the actual design may differ.
